

ROYAL PRESTIGE®  
BARISTA

*Wake up*  
**YOUR INNER  
BARISTA**

## Barista-inspired coffee evolved to fit your taste

### **French press mechanism**

features a stainless steel plunger to separate coffee grounds from brewed coffee, resulting in a rich, complex flavor profile.

**Premium mesh reusable stainless steel** filter extracts aromatic oils to develop a rich, complex flavor profile in every cup.

**Ample capacity** lets you brew and keep up to 72 oz (2.1 L), perfect for long after-dinner conversations with friends and family.

**Double-wall insulated carafe** keeps coffee warm for approximately 2 hours.

**Solid, triple-ply base** helps liquids reach the boiling point quickly.

ROYAL PRESTIGE®  
BARISTA

## Craft your own barista-inspired coffee specialties

### Piston

compresses coffee grounds and allows aromatic, flavorful oils to pass.

Stamped pour and brew icons make it **simple** and easy to select mode.

### Stainless Steel Filter

separates coffee grounds from filter.

### Redi-Temp™

valve emits an audible alert so that you can take the next step.

### Locking Ring\*

### Ergonomic

durable handle.

**T-304 surgical stainless steel pitcher** with measuring guide.

**Base compatible with induction cooktops.**

**Beautiful, sleek and stylish black finish** is easy to clean.

\*Locking ring is not removable.

**More perfect  
cups. More  
possibilities.
